WHAT'S NEW IN GRADE TWO
MRS. MCNABB AND MRS. ALLAN

Merry Christmas Wishes from our Gr. 2 Crew! Today marks our last day of our Countdown of Christmas Kindness. Each day in December, our grade 2s were given an act of kindness to share. We felt so proud of our students watching them excitedly spreading kindness and cheer in simple, but heartwarming ways to those around them. Great job Grade 2s!

Here's some pictures of our class on our Christmas Spirit Days! We are all excited to spend time with our family and friends over our Christmas holidays!

GRADE FIVE—MRS. LAMB

Despite not being able to perform our Christmas Concert this year, the Grade 5 class enjoyed participating in the Christmas tradition of “Decking the Halls” here at HES. Tinsel was hung from the ceiling with care and windows and doors were adorned with artwork by the Grade 5s for all to enjoy! Ornaments for our tree this year were made by students from each class during library with Mrs. Johns. We’re wishing everyone a safe and happy holiday season and all the best in the New Year!

MRS. WHELPTON—GRADE 9 FOODS CLASS

The Brave Mrs. Whelpton worked with the very large Grade 9 class and made gingerbread from scratch and then created their Gingerbread House masterpieces. A few of the houses went on display and students were asked to vote for the Best One. It's going to be a tough decision.

This year the varsity high school girls were fortunate to get in a full season of play. They attended multiple tournaments and won both Hamiota and Glenboro and placed second at Russels. They played a very competitive season and attended regionals in Elkhorn and finished first paving their way to provincials. Provincials were held the first weekend in December at Glenboro school. The girls put together a strong effort to take home the gold medal at provincials.

Varsity Boys Volleyball Season at HCI!

We over came several obstacles on the volleyball scene this season. The pandemic slowed the season down a bit, but we managed to play in several tournaments, a regular league, and we ended the season on a high by advancing to provincials. This was the sixth year in a row the team has made provincials, what an accomplishment for an “A” school. We travelled south to Baldur this year for provincials and lost a close battle to Treherne in the quarter finals to end our quest for a medal. We ended up not having enough boys to have a JV team, so our grade 9 boys played with the varsity team.

The Team Consisted of players from grade 9.
